WEB CONTACT PRIVACY POLICY

Pursuant to art. 13 of European Regulation 679/2016 - protection of personal data processing

The Company **SERVIZI INDUSTRIALI GENOVA SIGE S.R.L.** as the Owner of the processing of personal data, pursuant to and for the purposes of Article 13 of European Regulation 2016/679 (GDPR) and following Legislative Decree 101/2018 adapting Legislative Decree 196/2003 (Personal Data Protection Code), as well as European or national legislative interventions and/or measures of the Supervisory Authorities subsequent to this one is required to provide some information regarding the use of your personal data as a WEB USER.

Categories of personal data

The data processed are common personal and identification data (in general: name, surname, e-mail, telephone number) provided by you, as a WEB USER (physical person and/or referent of a legal entity), collected and processed by us or by others, or processed in the performance of relations with the Owner.

Purpose and legal basis of the processing

Personal data are processed by the Owner for:

- requests to receive information made through online forms on the Owner's website;
- application for a job position with the Owner made through the online form on the site;
- managing participation in online or in-person events to which you have requested to be registered.

The processing operations described above require your consent, which you can express directly when drafting your request by viewing the privacy policy and ticking the appropriate box.

Provision of data and consequences of failure to provide data

The provision of data is necessary for the management of your request and to comply with the law. Therefore, failure to provide such personal data, or providing partial or incorrect data, will make it objectively impossible for the Owner to fulfil your request.

Treatment methods

The processing of personal data is based on principles of correctness, lawfulness and transparency. The processing may be carried out using manual, electronic and IT tools in a manner strictly related to the purposes for which the data are processed and in compliance with the provisions of Article 32 GDPR on security measures and through the use of appropriate procedures that avoid the risk of loss, unauthorised access, unlawful use and dissemination.

Data recipients

The personal data processed by the Owner shall not be disseminated, i.e. it shall not be disclosed to unspecified persons, in any possible form, including making it available or simply consulting it. The data may be communicated to employees of the Owner who are authorised to process personal data within the limits of their assigned roles and in accordance with the instructions given to them by the Owner. They may also be communicated, when strictly necessary, to external parties who collaborate with the Owner and who are designated as Data Processors, to parties who, for the purpose of processing requests or providing services relating to the relationship with the Owner, must perform services on behalf of the Owner (e.g. web and IT consultancy companies). Lastly, the data may be communicated to the subjects entitled to access them by virtue of provisions of the law, regulations and Community legislation.

Data transfer

The Owner does not transfer your data to third-party countries or to international organisations outside the EU.

The data are stored on servers located within the European Union. In all cases, it is understood that the Owner, if necessary, may move the servers outside the EU. In this case, the Owner guarantees as of now that the transfer of data outside the EU will take place in compliance with the applicable legal provisions, also through the provision of standard contractual clauses envisaged by the European Commission and the adoption of binding corporate rules for intragroup transfers.

Data retention

The Owner shall retain and process the personal data for the time necessary to fulfil the purposes indicated and as long as a relationship of legitimate interest exists and in all cases no later than the date on which you inform us that you wish to terminate such relationship (please see "Exercise of rights"). If the Owner has a documented need to retain the data for a longer period (for
